

It's Fire Season and time to prepare for major wildfires.

Jim Piper, RN, N6MED

Volunteer Disaster Health Services Liaison to Amateur Radio

American Red Cross, Gold Country Region

Saturday, July 13

7:00 p.m.

Sacramento County Sheriff Florin Station

Community Meeting Room

7000 65th Street

Florin

Jim will speak about the role of amateur radio operations in support of disaster communications for the American Red Cross, Gold Country Region. His presentation will include what the tasking was for ham radio operators to support communications for the recent 2018 Carr and Camp Fires.

He will describe the nature of potential Red Cross message traffic and the type of radio circuit best suited for handling the traffic.
