

2nd Annual

Install O' Rama

August 11, 2018

Hams are notorious fabricators and have come up with some pretty amazing mobile installations.

- Do you just want to appreciate some Fellow Ham's creative installation?
- Have you installed a ham radio station in your car, truck, RV, bicycle, motorcycle., scooter??
- Do you or your club have an Emm Com Trailer? Want to show it off?
- Are you in the process of installing a station in your vehicle and need some ideas on how to do it?

IF YOUR ANSWER IS YES, THEN

You are invited to bring your rig to the August 11th meeting of the Elk Grove-Florin ARC and let others see what you have done.

Time: 7:00 pm

Location: Sacramento Sheriff Substation at 7000 65th Street

(if you plan to bring a vehicle to display, please let us know in advance what type of rig you will be bringing so that we have an idea of how much space to reserve in the parking lot. Please email DAVE at kk6mvj@gmail.com
